SC HOSA get ready to dare to create for the upcoming school year!

-----SOUTH CAROLINA HOSA -----

Following the recent devastating wildfires in Maui, HOSA-Future Health Professionals has investigated opportunities to best support our HOSA family on the island. HOSA members, chapters and associations can best meet the needs of the island schools through one of the options below:

1. **Public Schools of Hawaii Foundation-** Maui Schools pshf.org/donations-page - monetary donations, all gifts made through Oct. 1, 2023 will be dedicated solely to help our Maui students, staff and schools.
2. Purchase items from **Maui's Amazon** list by scanning the QR Code.
3. **American Red Cross** for 2023-2024. Donations can be made through <https://www.redcross.org/donate/cm/hosa-emp.html/>.
4. **Maui Humane Society for the fur babies:** [Maui Humane Society](https://www.mauihumanesociety.org/).

BE THE MATCH

This past month, your state officer team was involved in a Be The Match zoom meeting to learn more about how SC HOSA can support our National Service Project. Click this link below to understand more about your support and success to Be The Match: <https://www.bethematchhosa.org/>

Washington Leadership Academy

WITH TEAM 46

“After team 46’s trip to D.C. for the Washington Leadership Academy, I learned the importance of personality compatibility and leadership to help run a successful HOSA team/chapter. I had an incredible time working with other HOSA officers to develop better leadership skills in which we were then able to implement these skills while talking to our state legislators on important healthcare matters.”

“Washington Leadership Academy helped me learn about the importance of taking all our strengths and putting them together to create a successful year with our team. It allows us to connect and grow as a team to better guide SC HOSA and its chapters. It allowed us to make personable relationships with the IEC and learn all about advocacy. In all, I hope to use my WLA experience to help better guide South Carolina HOSA.”

“From WLA, I learned the value of emphasizing strengths on a team, being self-aware, and quality time with our team. I loved being able to network with other states and bringing it back to our state team to debrief together”

Washington Leadership Academy

WITH TEAM 46

“Through this conference, it not only narrowed my strengths, but it displayed my weaknesses. It showed me that uplifting each other’s weaknesses is one way to dispute the disparities within your team. Overall, I learned the importance of pushing as a team, through working around each other’s strengths and weaknesses. Similarly, the networking with other state officers/IEC set an example of what we can achieve as Team 46.”

“WLA had such a positive impact on me because it provided a fantastic platform for enhancing my leadership skills. I learned amazing techniques for effectively utilizing my skills when working with a team. Not only did it equip with ways to be a better leader, but it also allowed me to broaden my horizons by exploring new parts of Washington alongside an amazing team. I met a lot of amazing people along the way also. It was an unforgettable experience!!”

“WLA offered us opportunities for team bonding, networking with other states, as well as finding new ways to serve South Carolina HOSA. The biggest takeaway from this experience was the invaluable lessons of cultivating teamwork and the optimal strategies to enhance SC HOSA’s impact and success!! “

THANK YOU!

Team 46 is immensely grateful for the opportunity to attend WLA and learn about the importance of honing in on individual strengths to make a better team. Along with how far advocacy can truly get you. Thank you to Ms. Clark and all the individuals that made it trip possible!!

Chapter Recognitions

LANDER UNIVERSITY

Lander HOSA held their first official HOSA meeting as a new post-secondary division. They shared information about their chapter, their officers, and what our organization offers. SC HOSA is so proud of you all and can't wait to see the future of Lander HOSA!!

GILBERT HIGH SCHOOL

Gilbert High HOSA shared different forms of CAM therapies with their HOSA members. They got their members engaged and involved which is what we love to see. CAM therapy is a type of holistic medicine which can help alleviate different issues for individuals. Amazing idea GHS HOSA, keep it up!!

RIVERSIDE HIGH SCHOOL

Riverside HOSA held their first meeting with all new members and are so pumped for this school year!! We love seeing each chapters progress and are so proud of you, Riverside HOSA!! Continue to keep those new HOSA members rolling in!!
