

# 2014 FALL LEADERSHIP CONFERENCE

## Attention SC Health Occupations Students of America Advisors, Chapter Officers, and Members:

Welcome back to another exciting year of South Carolina HOSA! Your SC HOSA leaders have been working hard to make SC HOSA grow to be the best possible. This spring your officer team collaborated to come up with three new goals for SC HOSA this year.

Our goals for the 2014-2015 school year are as follows:

1. Each HOSA chapter will increase their membership by five members.
2. SC HOSA will have 100% participation in HOSA's national service project.
3. SC HOSA social media accounts will be updated weekly. We need all of SC HOSA's help to meet these goals.

Here are some ways you and your local chapter can help:

1. Get creative in recruiting new members! Chapter officers can take charge in finding members by speaking to individual classes, making posters, advertising on social media, and holding formal new-member orientations.
2. The national service project for 2014-2015 is the Leukemia and Lymphoma Society. You can challenge your school to donate to Penny's for Patients or to sell Lollipops for Leukemia. A few non-monetary contributions for the National Service Project can include a cancer education presentation to an elementary school or chapter volunteering with cancer patients.
3. SC HOSA is now accepting HOSA-related picture submissions from members. Please email all photos to schosamedia@gmail.org.
4. Please like SC HOSA on Facebook, and follow our Twitter and Instagram at SC\_HOSA!

All local officers are encouraged to attend the 2014 Fall Leadership Conference at Newberry College on October 23rd. We have a full schedule planned including presentations from health professionals, secrets to having competitive event success at the state and national level, exciting team building activities, and much more that you won't want to miss!

HOSA LEAD is our new theme for this year. We believe every HOSA member can be a leader at the local, state, and

national levels. Look for our monthly E-blasts which include new HOSA ideas, shout outs to chapters doing outstanding work, and updates about upcoming conferences.

Your South Carolina HOSA Officer Team is looking forward to working with you one on one at the 2014 Fall Leadership Conference!

See you soon,

Missy McClintock, SC HOSA President
