SC ACTE – HSE DIVISION ANNUAL CONFERENCE

December 1-2, 2016 in Myrtle Beach, South Carolina

What a great conference this year! Just when we thought last year couldn't be topped, this 2016 conference was fantastic. Free parking, free Wi-Fi and not to mention many conference attendees were able to do some Christmas shopping in the evening as stores stayed open later this time of year. We began our conference on Thursday, December 1, 2016, with registration, warm coffee, muffins, and visits with our exhibitors. Our conference opening keynote speaker, Carol Hill, presented us with some great information. Katrina Haynes followed her with a very informative presentation on graphic organizers.

Many of the sessions this year were interactive using technology such as Ipads, phones etc. The teachers really enjoyed the interaction with the keynote speaker learning technology to take back to the classroom for their students. This flowed on through with some of our very own teachers turning into fantastic presenters sharing classroom strategies and ideas.

Approximately ninety health science teachers enjoyed the networking and professional development opportunities again this year. Nine vendors provided their latest curriculum resources in our exhibition area on Thursday and Friday. Upon completion of an online survey, conference participants received an electronic certificate of participation that included contact hours that can be used for *certification renewal points*.
