We conquered the Hill!

We were privileged to attend the 11th annual Washington Leadership Academy from September 15th-19th.

As part of the academy, we were present at a wreath laying ceremony at the Tomb of the Unknown Soldier in Arlington National Cemetery, went on a twilight tour of monuments in Washington D.C., and participated in many leadership sessions and dynamic workshops. We engaged with other officer teams from as close as Georgia and North Carolina and as far away as Hawaii.

We also had the opportunity to spend a morning on Capitol Hill visiting the offices of our congressmen and received a private tour of the Capitol by a staffer from Representative Joe Wilson's office.
