Dear Prospective Partner:

I would like to invite you to become a Partner with SC HOSA because of your vested interest in ensuring South Carolina's future is filled with high-quality healthcare workers and leaders.

This is the one time of the year we ask trusted partners, caring companies and individuals to provide conference sponsorships and scholarships to support students seeking postsecondary education and becoming future health professionals. HOSA- Future Health Professionals, a student-led organization, provides opportunities for students to develop, practice, and refine their technical, leadership and teamwork skills to achieve a seamless transition from education to a career.

HOSA recognizes the importance of providing students with training beyond healthcare specific technical skills and plays a unique role in preparing students for higher education. The rapidly changing healthcare system needs dedicated and capable of playing a leader or follower role as a member of the healthcare team. Through your involvement with SC HOSA, you have access to tomorrow's health professionals. With more than 4,500 SC HOSA members and 200,000 members internationally, your contribution serves as an investment to meet the demands of the healthcare workforce. HOSA is committed to preparing college and career ready young adults.

Will you help us reach our goal to attract high-quality individuals into our state's healthcare workforce? After all, these students will be the ones we rely on in the future when we have a need to visit a hospital, physician's office, dental office, etc.

Here's how you can help: Visit our website, www.schosa.org, click on the "Partners/Donor" tab at the top, or simply go to <http://www.schosa.org/partners-donors/#partner-form>, where you will find all the information needed to become a partner, exhibitor, advertiser, scholarship donor, or simply submit a donation to SC HOSA.

Once you've completed the partnership form, you can choose to pay with a credit card, PayPal or send in a check. If you don't see the amount that fits your budget, scroll down to the "Donation" section, and your donation can supplement student preparation statewide. Should you have any questions, please contact Amanda Wilson schosa1@sc.rr.com.

Thank you for considering this valuable contribution to SC HOSA.

Warmest regards,
