

Hello, SC HOSA!

Washington Leadership Academy

This September, your state officers attended Washington Leadership Academy in Washington D.C.! During their trip, the officers engaged in several leadership sessions and tours of the city.

While learning to lead, serve, and innovate, they had an amazing experience!

Fall Leadership Conference

The decision to cancel our 2018 Fall Leadership Conference scheduled for October 11th at Newberry College was extremely difficult. All planned presentations have been uploaded to our website as resources for our members.

We hope that all of our members and advisors stayed safe this hurricane season and we look forward to all we have in store for SC HOSA this year.

State Leadership Conference

State Leadership Conference will be held during the first week of March. There will **not** be a banquet this year, but officer candidates will still do their speeches! Also, chapters are encouraged to bring light-ups to imitate ILC. We are extremely excited for these new changes!

IMPORTANT DATES

- November 4th-10th | National HOSA Week
- December 1st | State Leadership Conference Online Registration Opens
- December 1st | State Officer and Scholarship Applications Open
- December 1st | HOSA Idol Opens

Visit www.schosa.org for all dates and more information.

While you are making new friends, capture the moment by snapping some pictures! Share them with SC HOSA!

2018-2020 HOSA Service Project

During the 2018 International Leadership Conference, the National Pediatric Cancer Foundation was chosen to be the 2018-20 HOSA National Service Project. The NPCF is a nonprofit organization dedicated to funding research to eliminate childhood cancer. Their focus is to fund research to fast-track less toxic, more targeted treatments.

"I'm challenging every HOSA member to "get actively involved" with HOSA's Service Project. The gift of hope and the end of pediatric cancer begins with each of us!"

- Sarah Fleischman

HOSA-Future Health Professionals President

SC HOSA looks forward to contributing to this cause for the next two years and call on all of our members to get creative, get involved, and collaborate to end childhood cancer!

Chapter Visits: To request a chapter visit for leadership training and chapter management workshops, officer installation ceremonies, or to simply help jumpstart your HOSA year, contact a State Officer or State Officer Advisor. Contact information can be found on our website. We look forward to working with all of our local chapters this year!
