

DECEMBER

IT'S SNOW WONDER

1. People are living longer, more productive lives
2. Taking care of the aging population will be a great challenge for our health care system
3. Hospital stays have shortened as technology has advanced
4. Computer technology will allow health care providers to deliver care more efficiently and economically

Health Careers are Growing!

Materials Needed:

1. Backing Paper
2. Posterboards
3. Colored Markers
4. Black Outlining Pen
5. Tape, Glue or Glue Stick
6. Overhead and Overhead transparency
7. Pencil
8. Copying Machine

1. Cover bulletin board with backing paper.
2. Copy this sheet onto a transparency.
3. Lay the transparency on an overhead and enlarge it upon the wall to the size you need.
4. Tape the posterboard to the above area and trace the picture.
5. Color and cut out the traced picture and place it on the bulletin board.
6. Tape up another piece of posterboard and trace, color and cut out the letters.
7. Place letters on the bulletin board.
