**Very Important Dress-Code Information!!!**

HOSA is both a student-lead and profession-based organization. Because of this, it is important that we maintain professionalism in the midst of having fun. The State Leadership Conference is--of course--supposed to be fun, but it is also the time during which our professionalism is put to the test! As you prepare for SLC, keep this important dress-code information in mind!!!

- On Sunday afternoon, please be in your chapter t-shirts and a pair of khakis. Jeans and/or shorts are not acceptable. Closed toed shoes are a must.
- During opening session on Sunday evening, please be in HOSA uniform or a blue or black suit. Guys must wear ties.
- For competitive events, you must be in official HOSA uniform, a blue/black suit, or industry apparel.
- During the awards ceremony on Tuesday, HOSA uniform or conference polo with khakis is acceptable.
- Please visit [schosa.org](http://schosa.org) for detailed instruction concerning SLC dress-code!!!
