

2021 Virtual Booth

South Carolina AHEC Health Careers Programs (HCP) provide support to diverse groups of students on their paths to becoming healthcare professionals, building a future healthcare workforce that will reflect the diverse range of communities it serves in South Carolina. Programs focus on skills building, preparation for academic success, job shadowing and career exposure, hands-on workshops and more. Learn more and get involved at

<http://www.scahec.net/HCP>

Virtual Meeting hosted
by Paula Jones
March 8 - 12
3:00 - 6:00 PM
