

Students @ Prisma Health

Have you considered...
The variety of careers in health care?

Prisma Health employs over 30,000 people and they're not all doctors and nurses. Consider all of the hospital's different departments: the cafeteria, marketing, billing, emergency medical services, security and many more. Now think of the types of people who would work in these departments: chefs, graphic designers, accountants, EMTs, police officers, and well, you get the idea.

Here's a list of even more job opportunities at Prisma Health-Upstate:

- Administrator
- Athletic trainer
- Architect
- Chaplain
- Communications/marketing specialist
- Counselor
- Dietitian
- Engineer
- Fitness instructor
- Human resources manager
- Interpreter/translator
- Information technology specialist
- Lab technician
- Lawyer
- Librarian
- Pharmacist
- Physical therapist
- Social worker
- Teacher
