2022-2023 Goals:

Your state officer team and advisors have come together to set three main goals to build on and achieve for this upcoming year. We are confident that achieving these goals will help enhance each individuals HOSA journey!

Our 2022-2023 goals are as follows:

1) Boost South Carolina HOSA membership levels with the addition of new chapters
2) Enhance social media to create a more interactive network
3) Expand participation in SC HOSA challenges and activities

From Gunja Patel, SC HOSA State President:

“Team 45 is super pumped to see what all South Carolina HOSA will bring this upcoming year! We sure will go “Beyond All Limits” to strive to become the best future health professionals! I hope that this year HOSA becomes your drive and passion as it has for us! I can’t wait to get to know each and every one of you and grow a bond that will be forever continued. We are proud of what you have accomplished and are ready as ever to serve you!”

State Officer Introductions:

**GUNJA PATEL - PRESIDENT**
Gunja Patel is a rising senior at White Knoll High School. She serves the role of President of South Carolina HOSA. Her role as President of South Carolina HOSA is to lead the members of this association to success along with her state officer team! Looking into the future, Gunja hopes to pursue a career in medicine as a Physician or Physician Assistant. With her big dreams and goal, she one day hopes to go into the field of Aerospace Medicine. Her favorite thing about HOSA is the number of opportunities the organization provides for students interested in the healthcare field. She also loves how everyone in the organization is truly passionate about medicine and strives to do her best at anything she chooses. When Gunja isn't doing her HOSA duties, you can find her relaxing with her family or doing something outdoors such as walking, running, or playing sports! She truly can't wait to start the year strong with SC HOSA!

**ANNA MURRAY - VICE PRESIDENT**
Anna Murray is a rising senior at White Knoll High School and a member of the Center for Public Health and Advanced Medical Studies. She serves her role as Vice President of South Carolina HOSA. As vice president, her role is to lead members of this association to success with the president and the state officer team. Anna hopes to become a pediatric neurosurgeon. Anna's favorite part of HOSA is meeting all the new people who have similar interests as her. She also loves all the opportunities HOSA offers students and is thankful for all the ones that have been offered to her. When she's not doing her HOSA duties she enjoys going to the beach, going out to eat, and having concerts in the car.

**JESSICA NERI-NUNEZ - REPORTER**
Jessica Neri-Nunez is a rising senior at White Knoll High School and a member of the Center for Public Health and Advanced Medical Studies. Her primary goal as the Reporter for SC HOSA is to make sure our members are up to date with all our HOSA happenings. Her favorite part of this organization is being able to meet new people, especially being surrounded by those with similar goals who are passionate about what they are doing. HOSA has helped open up countless opportunities for her as well, and she cannot wait to see where it takes her. In her free time, she loves reading, watching her favorite shows, and going on late-night drives with her friends. In the future, Jessica hopes to become a Forensic Pathologist!

**ALLANDAVE CABANAYAN - SECRETARY**
AllanDave Cabanayan is a recent graduate of Lower Richland High School and is now a freshman at the University of South Carolina. He is a nursing major with the hopes of becoming a registered nurse in either dermatology or neurology. He serves as the SC HOSA Secretary, primarily reading and recording the minutes of each meeting, as well as performing office duties as requested by the President and state officer coaches/advisors. His favorite part of HOSA is the number amount of networking opportunities the organization provides for students to each other, current health professionals and companies in various fields. When he isn't busy representing HOSA or studying, you can catch AllanDave unwinding by watching anime, going for a walk around town, or listening to some early 2000s/2010s throwback playlists on Youtube.

**GRACE HAINS - COMMUNITY LIAISON**
Grace Hains is a rising senior at the Academy for Arts, Science, and Technology. Her role is to network with local chapters as the community liaison. Grace plans to become a biomedical engineer. She loves that HOSA gives the opportunity for students to lead and connect with other students also hoping to pursue a career in health care. She also admires the opportunities HOSA gives to continue membership beyond high school and college education as alumni members. Since HOSA is student-led Grace appreciates the responsibility and life goals members learn while in the association. When not at school, she will be painting, shopping, running, or spending time with friends.
