Snap-Raise	Snap-Raise was built by those who care about improving the lives of individuals and communities that put their students first. Over 32 million coaches, instructors, students, parents, and community members are putting the health and safety of their students first by making the conscious decision to use Snap-Raise. By utilizing the Snap platform, kids and coaches can now focus more time on the things they care about most. We have a team of dedicated individuals around the country who are passionate about putting your student's attention on the group's goals, not on their own fundraising efforts.	Cory Dunn (757) 814-1584 cory@snap-raise.com	Lori Jackson: jacksonl@fortmillsc hools.org
Ford Drive Drive 4 UR School	Drive 4 UR School began in 2007 as a way for Ford to give back to communities across the country. The idea was simple: Test-drive a Ford vehicle from a local dealership, get money for your high school. The success of the school program inspired the launch of Drive 4 UR Community, allowing Ford Dealers to partner with nonprofit organizations as well. Thousands of events and \$35 million in donations later, participants are still test-driving for a cause that they - and Ford - are equally passionate about. Are you a school or organization that wants to experience this opportunity for yourself? Locate a Ford Dealer to get started.	You go through your local Ford Dealership	Lori Jackson: jacksonl@fortmillsc hools.org
