

1. Membership fees are set to increase by \$5.00. Raising the membership to \$25.00 per member, beginning fall 2023. There hasn't been an increase in about 7 years. The SC HOSA Board of Directors recommended the increase based on increased costs associated with inflation and COVID inflation to maintain a quality HOSA student organization and activities associated with our organization. Voting Delegates will vote on Thursday, March 16, 2023, during the SC HOSA State Leadership Conference, at the business meeting to accept or deny the recommendation.
2. Updated Bylaws will be presented for approval during the voting delegate/business meeting on March 16, 2023. The bylaws have not been updated since March 2007.
