

To all South Carolina HOSA - Future Health Professionals members, chapter officers, advisors, and alumni:

As SC HOSA President, I am honored to have the privilege of welcoming you back to a new year with South Carolina HOSA! Looking back on the 2022-2023 year, we went Beyond All Limits. The COVID-19 pandemic impacted HOSA members in many ways. But, our chapters and HOSA involvement have come back stronger than ever! I have never been prouder of our incredible competitors, advisors, judges, sponsors, partners, speakers, and everyone who makes SC HOSA possible. Each and every HOSA member has been the key to success for South Carolina HOSA and with your passion for HOSA, I can't wait to "Dare to Create" with all of you during the 2023-2024 year!

Your state officer team and advisors have come together to set three main goals to build and achieve for this upcoming year. We are confident that achieving these goals will help enhance each individual's HOSA journey! Our 2023-2024 goals are as follows:

1. Boost SC HOSA membership levels with middle school, high school, and post-secondary chapters
2. Enhance our outreach on online and social media platforms
3. Encourage more chapter involvement in HOSA service projects and activities

We can't wait to see South Carolina HOSA achieve these goals. We are so excited about what you all will accomplish this year! Here are some tips and tricks to help you make our goals possible to accomplish:

- Share your chapter achievements and events by tagging us in your posts so we can re-post them! Not only will this help you, but it will inspire other chapters around the state to do the same! If you have any quick questions, contact us through SC HOSA social media platforms:

- Uplift your chapter members and community to donate to
