## 2022 SC ACTE HEALTH SCIENCE EDUCATORS DIVISION STATE AWARDS

SC HSE combined their annual conference with the National Consortium for Health Science Education (NCHSE) this past October. There were approximately 104 registered SC Health Science teachers attending this national meeting.

SC HSE, SCDE and the SC Hospital Association were able to provide our association with approximately 20 registration scholarships to assist teachers for attendance to the conference!

During the national conference, we conducted our annual SC ACTE HSE meeting. New Offices were elected and yearly awards were presented.

Teacher of the Year:

***Dana McCallum, Academy for Arts, Science & Technology***

# 2022 CONFERENCE-OCTOBER 26 -28

South Carolina  
**Health Science  
Educators**

During the National Conference – SC teachers represented well.

Three Keynote speakers from SC and at least six more SC Breakout session speakers, five of whom were Health Science teachers.

Membership holds strong for SC. SC had over 100 members at the time of the National Conference with 104 SC teachers in attendance.

All members who joined or rejoined by December of 2022 will have access to a google drive full of teaching content and will be included in our national teachers organization membership beginning this July 1st – June 30th for no cost to the member.

South Carolina is currently preparing for the upcoming EBS, June 26 -29, 2023 at the Greenville Convention Center.

We are also preparing for our Fall Health Science Educators Conference, November 12 -14, 2023 at the Embassy Suites Myrtle Beach- Oceanfront. Two national speakers are already booked for the conference. We are also looking for Health Science teachers to present on quality programs that lend guidance across the state.

All conference information can be found here:

SC chartered a harbor sunset dinner cruise for networking and announcements.

We met at the marina to board our sunset cruise on Wednesday evening with lots of networking, visiting friends, taking great photos, eating delicious food and cruising on the water.

Everyone had a great time!
