As SC HOSA President, I am honored to have the privilege of welcoming you back to a new year with South Carolina HOSA! Looking back on the 2022-2023 year, we went Beyond All Limits. The COVID19 pandemic impacted HOSA members in many ways. But, our chapters and HOSA involvement have come back stronger than ever! I have never been prouder of our incredible competitors, advisors, judges, sponsors, partners, speakers, and everyone who makes SC HOSA possible. Each and every HOSA member has been the key to success for South Carolina HOSA and with your passion for HOSA, I can't wait to "Dare to Create" with all of you during the 2023-2024 year! "

## Our Goals For 2023-2024 HOSA Year

### Membership

Boosting SC HOSA membership will be a priority with an emphasis on opening PSC and MS chapters.

### Social Media

Through social media, we want to amplify our reach with various platforms and variety in the representation of SC HOSA.

### Engagement

With involvement in HOSA service projects, activities, and challenges, an emphasis will be placed on chapter and membership engagement.

# Membership Drive - TheChapterConnect ✨

With a key goal of increasing membership through the diversity in chapters, a new program we hope to launch is the membership drive. Through this program, current chapters will be involved with SC HOSA in building middle school and post-secondary chapters.

## THECHAPTERCONNECT --

Through this program, we will be enlisting prominent high school chapters to support us by opening a middle school or PSC chapter that is local to them. This will allow for FLC or SLC level recognition and some possible awards. If you are interested, please contact us for any support. The support we get from our local chapters mean a lot to us.

## NATIONAL AND STATE SERVICE PROJECTS

Once again, SC HOSA supports the outstanding cause of Be The Match. As the national service project, we want members and chapters to take part in aiding the cause of being bone marrow donors. So as South Carolina, lets do our part by being involved in the service to save lives.

As your state service project, we show our pride in supporting NAMI! Being an organization focusing heavily on the importance of mental health, we want our members to take a part in their journey. Through hosting service and social events, you will not only support NAMI, but represent SC HOSA for its passion.
