

NOVEMBER 12TH

Seeing old friends, making new friends, colleagues, learning and hearing about new ideas, collaborating together once again for the 2023 SC HSE Conference.

All attendees had free parking, free Wi-Fi and not to mention many conference attendees were able to do some Christmas shopping at the many stores and outlets at Myrtle Beach.

We began the conference on Sunday evening with:

~**Early Registration,**

Hors d'oeuvres, HOSA, HSE and HSEA/NCHSE Updates

~**Early Bird**- "Activities in a Pinch", Denise Abbott and Robbie Rauzi

We concluded the evening at 9 PM.

*A packed, fun and
informative
day!*

KEYNOTE SPEAKERS ~DENISE ABBOT, UTAH SCHOOL DISTRICT & ROBBIE RAUZI, YOUSCIENCE

“Really enjoyed & learned from the presenters this year, meaningful and informative for my students and myself.”

NOVEMBER 13

Monday morning began with a spectacular view of the ocean from the Embassy dining room while enjoying a hot breakfast before the conference day started. Then headed back to the conference hall for teachers to begin their full day of the conference. We started with the Welcome and Announcements from the SC ACTE/HSE President, Melissa Murray. Followed by two of our keynote speakers.

Robbie & Denise started us off with a bang. They had Informative sessions with take-back-to-your-classroom ideas for teaching health science students in the classroom

Session 1 Keynote presenters “Activities in a Pinch”, Denise Abbott & Robbie Rauzi

Session 2- Continued- “Activities in a Pinch”

Awards Luncheon, partially sponsored by Hudson Simulation Services

Session 3- “Health Career Exploration with SimVS Platform”, Hudson Simulation Services (partial luncheon sponsor)

Session 4- “Harnessing the Power of ChatGPT for Good”, Dr. Jeremy Searson

Session 5- “Assessment for Health Science- Preparation Stackable & Tiered Credentials”- Robbie Rauzie

Break with our Exhibitors- Partially sponsored by Transfr, Inc.

Session 6- “Growing the Healthcare Workforce Through Immersive Virtual Reality Training”, Arielle Woodmore

Session 7- “Artificial Intelligence- How Can You Use This In Your Classroom”, Rhonda Evatt

Session 8- “NHA CCMA Updates”, Tammy Stein (partial break sponsor, National Healthcareer Association)

Session 9- “Career Ready Credentials in SC- Network & Learn”- Fellow Health Science Cluster Teachers

SC ACTE HEALTH SCIENCE EDUCATION AWARDS

At our awards luncheon on Monday afternoon, the executive committee delivered opening remarks and announcements. We had a fantastic turnout with enthusiastic Health Science Cluster teachers to celebrate the recipients of our division awards.

- **Teacher of the Year: Michael Chapman**, Golden Strip Career Center
- **New Teacher of the Year: Sheron Capers**, C.A. Johnson High School
- **Administrator of the Year: David Prigge**, CTE Director, Lexington-Richland School District Five
- **Champion for CTE: Bryce Myers**, CTE Director, Lexington School District One
- **Service Awards:**
