

To all South Carolina HOSA - Future Health Professionals members, chapter officers, advisors, and alumni:

As SC HOSA President, I am both honored and excited to welcome all members, chapter officers, alumni, and advisors back to another year with SC HOSA. I know myself and all of Team 48 are excited to embrace all the amazing opportunities ahead! This past year, we took the time to reflect and celebrate all the amazing individuals who truly make HOSA "POWERED BY PEOPLE"! With the 50th anniversary of HOSA fast approaching, it is time to honor the past while looking forward to the bright future of our organization. I would like to take the time to thank every incredible competitor, judge, advisor, sponsor, partner, speaker, and every other individual who makes our mission at SC HOSA possible. Now it is time to celebrate 50 years of our incredible work and recognize that all HOSA members have the power to be "CHAMPIONS OF CHANGE"

Your state officer team has three main goals to achieve this upcoming year. We are confident that achieving these goals will help improve and grow SC HOSA.

Our 2025-2026 goals are as follows:

1. Boost SC HOSA membership with an added emphasis on post-secondary and middle school chapters.
2. Keep all members up to date on the latest HOSA information and healthcare opportunities through social media and our newsletter, "HOSA Hustle."
3. Increase chapter visits, either in-person or virtually, to get to know the members of SC HOSA. The officer team would like to celebrate each chapter's achievements and encourage participation in our national and state service projects.

→ Throughout the year, your state officer team will be posting content and interactive activities on social media for everyone to enjoy! Stay connected with us on the social media platforms below! Keep an eye out for our posts on these platforms as well.

→ We want to know what your chapter is up to this school year! Share your chapter achievements and events by tagging us in your posts so we can re-post them! Not only will this help you, but it will inspire other chapters around the state to do the same! If you have any quick questions, contact us through SC HOSA social media platforms:

@SC_HOSA

@SC_HOSA

@SC_HOSA

→ We want to boost our state officers team's visibility and become more engaged with our chapters. Be sure to ask your advisor to request a state officer to visit your chapter through the [SC HOSA website](#).

→ We encourage you to support both our state and national service projects by hosting fundraisers and encouraging both members and supporters to donate.

→ Your chapter can contribute to these wonderful causes and if you need ideas; make sure to check both our social media and bimonthly e-blast “The HOSA Hustle” for more information about our service projects.

- The National Marrow Donor Program, HOSA’s 2025-2026 National Service Project
- The Shriners Hospitals, SC HOSA’s 2025-2026 State Service Project!

Your state officer team would love to answer any questions or concerns you have! We are here to serve YOU. Feel free to contact us through our [email](#) or social media pages.

We are excited to announce we will be hosting our first event of the year, the 2025 Fall Leadership Conference, on October 9, 2025, at Newberry College in Newberry, SC. During this conference, you will have the opportunity to network with other chapters and your state officers, build leadership skills to bring back to your chapters, and enjoy a beautiful fall day at Newberry College. From an array of wonderful speakers and sessions to recognizing our International Leadership Conference winners, it will be a FLC to remember.

Team 48 is excited to see what SC HOSA will accomplish this upcoming year! With our historic 50th anniversary coming this year, we know SC HOSA will rise to the occasion, showing HOSA that in South Carolina, we are all “CHAMPIONS OF CHANGE”. I hope this year HOSA becomes an organization that fills you with passion and pride, as it has for all of us on Team 48! I cannot wait to build connections with every one of you, seeing all members rise to the occasion and unlock their full potential. We are all incredibly proud of what SC HOSA has accomplished and are ready to serve you as your 2025 – 2026 SC HOSA Officer Team.

Macy Thompson
President
South Carolina HOSA - Future Health Professionals
