What events do we not offer at SLC that you would like us to offer in the future?

- Biomedical Equipment Technician
- Healthcare Administration
- Clinical Lab Science
- Dental Science
- Family Med Physician
- Patient Care Tech
- Surgical Technologist
- Research Poster
- Community Awareness
- Parliamentary Procedures

HOSA Advisor Development Program

HOSA welcomes you to the HOSA Advisor Development Program!

Whether you are new to HOSA or a returning chapter advisor ready to take a deeper dive, you are in the right place. In this program, you will explore what it means to be a HOSA chapter advisor—your role in inspiring future health professionals, guiding members to success, and building a chapter that makes an impact in your school and community. So, let us begin and discover how you can empower the next generation of leaders in healthcare and medicine.

Please download this [Advisor Development Workbook](#) to help manage your chapter resources and best practices.

Lesson #1 Gain Administrative Support and Secure a Charter Number

Before you can dive into building a thriving HOSA chapter, there are two important first steps every chapter advisor must take:

- ✔ Gain support from your school administration – Learn how to communicate the value of HOSA and secure the support required to make your chapter a success.
- ✔ Obtain your HOSA charter number and password – We will walk you through how to acquire the chapter's credentials to access the HOSA Conference Management System (CMS), affiliate members, and begin your chapter journey.

HOSA Member Development Program

HOSA members, you are invited to watch the following videos as part of the Top 10 Things HOSA Members Should Know Series. After viewing, complete the accompanying two-page worksheet. The worksheet questions reinforce the lessons from each video and help you apply them to your HOSA journey. Be thoughtful and thorough—this activity is meant to strengthen your understanding and prepare for success in the launch of your HOSA experience.

HOSA Member Development Program- Student Member Worksheet

Lesson #6 - Develop Leadership and Team Building Skills

What is the value of developing your leadership skills:
What are some ways to work on your leadership skills:
How might you seek a leadership position in your HOSA chapter:
Which HOSA conferences provide leadership development experiences:
How do you benefit from leadership development experiences:

Lesson #7 - Prepare and Campaign to be a HOSA Officer

Describe the levels of HOSA officers:
What can you do to prepare for a HOSA officer position:
What are some campaign tips to be successfully elected:
What HOSA officer goals will you establish this for year and beyond:

Welcome to our Top 10 Things Every HOSA Member Should Know Video Series!

In this introductory video, let us set the stage for an exciting journey through the essential knowledge, skills, and opportunities that make HOSA membership so valuable and rewarding. Whether you are a brand-new member just starting or a returning member looking to get the most out of your HOSA experience, this series will guide you step-by-step through the top 10 things that will help you succeed. We are especially grateful for the support of one of our valued HOSA sponsors—the American Association for Respiratory Care (AARC). Their commitment to education and professional growth makes opportunities like this possible. In this video, you will also hear a special message from their representative, sharing
