WLA Recap

Sept 19th-23rd, Washington, DC

▶ Leadership Development

During leadership sessions with the International Executive Council, we identified our strengths and discussed with other state officers how to use them to make a difference.

▶ Connecting with other State Officers

At WLA, we connected with state officers nationwide to share ideas and learn about different leadership styles.

▶ Team 48 Bonding

Team 48 grew closer and became a stronger, more connected team through shared experiences like the monument tour and visit to Arlington National Cemetery.

SHOWCASING TWO OF OUR 2025 DIAMOND PARTNERS

COLLEGE OF CHARLESTON:

A historic liberal arts and sciences university offering strong health-related majors, research, and opportunities for future healthcare leaders.

LEXINGTON MEDICAL CENTER:

One of the largest healthcare systems in South Carolina, providing patient care, community health programs, and pathways into medical careers.

SC HOSA would like to extend our gratitude to our 2025 Diamond, Silver, and Bronze Partners for their unwavering support and dedication to the next generation of health professionals!

Falling into Leadership: A Look Back!

October 9th at Newberry College

This year's FLC was nothing short of amazing! With 512 members, advisors, and other HOSA officials in attendance, the energy was unmatched. From inspiring sessions on growth and leadership to powerful takeaways for every chapter, it was truly a Fall Leadership Conference we'll never forget! ❤️

A special thanks to Newberry College for their ongoing partnership. Their support in hosting our Fall Leadership Conference annually and leading several sessions this year has been invaluable.

Huge shoutout to all the schools that donated to our Shriners' Toy Drive! We've collected an outstanding 248 toys so far. Remember, the competition continues until SLC — River Bluff High School is currently leading with 97 toys!
