An outstanding reputation enables you to take pride in yourself and our organization. HOSA members are known for upholding high standards, and your conduct at any HOSA function directly reflects and strengthens HOSA's reputation.

1. The behavior of each student should always reflect positively on them, their school, and the HOSA organization.
2. The conduct of each student is the responsibility of both the student and the local chapter advisor. Students must stay within the designated conference areas at all times and always inform their advisor of their activities and whereabouts.
3. HOSA nametags and proper attire must be worn to all HOSA events (including Thursday evening Social Event). If casual dress is announced as appropriate for an event, nametags must still be worn, and casual dress must be aligned with HOSA's Social Activities Dress Code policy. (Appendix D)
4. Students are expected to attend all conference sessions, be on time, and show respect to all presenters, other conference attendees, and on-site personnel.
5. Students are to report any accidents, injuries, or illnesses to their local advisor immediately. Advisors should keep SC HOSA, Inc., informed of these incidents.
6. If a student is involved in, or has knowledge of, stealing, vandalism, or any improper or disruptive behavior, the student and their parent/guardian or advisor will be responsible for all damages and must arrange immediate transportation home at their own expense. The local advisor will notify their school principal immediately.
7. Students may NOT use or have in their possession any alcohol or illegal drugs at any time. Students may not purchase, consume, or be under the influence of alcohol or drugs. Tobacco products are illegal for all persons under 21 years of age. **Violators will be removed from the conference, and their parents/guardians or advisor will arrange for their immediate transportation home at their expense.**
8. The published curfew will be strictly enforced. Curfew means students must be in their assigned room by the designated time and remain until breakfast opens.
9. Students will follow the policies of their school, the local Board of Education, and SC HOSA.
10. Guests of the opposite sex are not allowed in the same room without an approved chaperone.
