

**International Leadership Conference Opportunity!**

# National Geographic Learning Academic Testing Center for Future Health Professionals (NGL ATC)

## Who is eligible?

HOSA members and alumni may test.

## Do you have to qualify at your State Conference?

No. State Conference qualification is not required.

## Can you take an NGL ATC test and compete in another competitive event?

Yes. Competitive events are open to NGL ATC participants.

## Test options include:

- AAFP Family Medicine Career Test
- Allied Health Statistics
- Anatomy and Physiology
- Biochemistry
- Biology
- Career Development
- Environmental Health
- General Chemistry
- Genetics
- Human Heredity
- Leadership
- Math for Health Professionals
- Microbiology
- Occupational Health and Safety
- Organic Chemistry
- Physics College

Delegates must be registered for HOSA's ILC to be eligible to take an ATC test.

One test is included for every HOSA delegate in secondary, postsecondary/collegiate, and alumni divisions with the \$125 ILC registration fee. Additional tests are available for \$20 per test.

There is no maximum to the number of NGL ATC tests that can be taken at ILC, as long as the competitor can logistically sit to test in all events for which they are registered.

The NGL ATC will be open at ILC on Wednesday from 8:00 am – 4:00 pm, and Thursday from 8:00 am – 7:00 pm.

Competitors can test any time at their availability during these times. NO WALK-UP registrations will be taken.

NGL ATC registrations can be made until May 15. Registrations after May 15 should be emailed to [hosa@hosa.org](mailto:hosa@hosa.org). Again, no WALK-UP registrations will be accepted on-site during NGL ATC testing.

*Please see the Competitive Events Guidelines for more information on each test:*
