Some or all partnership donations to SC HOSA may be tax deductible as a charitable contribution

July 20, 2026

Dear Prospective Partner:

I invite you to join SC HOSA as a Partner due to your commitment to fostering a future in South Carolina that is enriched with top-tier healthcare professionals and leaders.

This is the annual occasion where we reach out to trusted partners, compassionate companies, and individuals to grant sponsorships and scholarships for students pursuing post-secondary education and aspiring to become future healthcare professionals. HOSA - Future Health Professionals, a student-led organization, offers students the chance to enhance their technical, leadership, and teamwork abilities, facilitating a smooth transition from education to a career.

HOSA recognizes the significance of offering students training beyond healthcare-specific technical skills. It plays a unique role in preparing students for higher education by acknowledging the evolving healthcare system's needs. Students are expected to be dedicated and capable of assuming leadership or follower roles within healthcare teams. Your participation in SC HOSA provides access to future healthcare professionals. With nearly 6,000 SC HOSA members and over 300,000 globally, your involvement is an investment in meeting the healthcare workforce's demands. HOSA is dedicated to preparing young adults who are ready for college and careers.

Can you assist us in achieving our objective of attracting high-quality individuals to join our state's healthcare workforce? These students will be our future healthcare providers when we require medical attention at hospitals, physician's offices, dental clinics, and more.

Here's how you can contribute:

- Visit our website at [www.schosa.org](http://www.schosa.org) and click on the "Partners" tab at the top.
- Alternatively, you can go directly to <https://www.schosa.org/partners-donors/> for all the details on becoming a partner, exhibitor, advertiser, scholarship donor, or donating to SC HOSA.
- After filling out the partnership form, you can opt to pay by credit card or send a check.
- If you don't find a suitable donation amount, check the "Donate" tab to support student preparation statewide.

Should you have any questions, please contact Amanda Wilson at [conference@schosa.org](mailto:conference@schosa.org).

Thank you for considering this meaningful partnership and contribution to both SC HOSA and you!

Warmest regards,

Nicholas Hanle  
SC HOSA Chair
